What Media Is Saying

My experience working with Karen Sands was superb. Her level of professionalism, as well as her expertise on the topics of futurism, the business of aging, aging in the workplace, and conscious aging were exceptional. The feedback was phenomenal.

~ Maureen Metcalf, Founder/CEO Metcalf & Associates, Voice America

I have spent years working in the broadcast industry and have seldom been moved by a guest. Karen has been one of the few. She speaks to topics which are timely and timeless. She is extremely effective as a speaker. Her on-air delivery is compelling. She is passionate, articulate, funny, intelligent and accessible. I would highly recommend Karen as a contributor for regular or guest spots or anyone interested in producing a successful radio program.

~ Paul Cavalcante, Host, Formerly CD 101.9, Currently WQXR-FM

I was so impressed with Karen's presentation that I had one of our writers interview her about executive coaching for our publication Best Practices in Human Resources. The first interview was so successful that the writer interviewed her again, this time about midlife coaching. Her enthusiasm for these subjects was contagious!

~ Elaine Quayle, Associate Editor, Business and Legal Reports, Inc.

It was a pleasure interviewing Karen Sands for WomenUP Radio. She was warm, positive, upbeat and a mine of valuable and helpful information on the topic we were discussing, Ageism in the Workplace and Ageism in Empowerment. So much
